Hi Carol,

I just wanted to let you know that your competition is by far the best one that I have ever been to!!! We for sure will be returning your next time around. Everything was just so well ran. My parents really enjoyed the atmosphere, and the way the show was ran. And to get parents approval is a *HARD* thing to do. Also, it was nice for you and your judges to give the choreographers an award, because sometimes people, parents and students forget how much work their choreographers do physically and mentally.

Thank You

Hi Carol,

Thank you so much for such a great time yesterday in Woonsocket!

My girls and teachers had a blast! I was very pleased with how smoothly and professional everything ran. The girls you had helping line-up the routines in the back were so sweet and worked very hard to make sure everyone was ready to go. My parents were beaming and the kids were proud of themselves. Kudos to you and the judges for such a fun experience! :) :) :)

Carol,

Alicia, Susan and I want to thank you for the wonderful experience we had at the competiton in Southbury this weekend. It's not often that you find a competiton that runs so smoothly and on time. Our kids left feeling good about themselves and excited for the rest of the dance year, so we thank you for that. We can't wait to hear the judges comments to see what we can improve on.

Thanks Again!

"Thank you for doing a great job running your competition! The girls, parents and I had a great day. Judging was tough, but very fair and honest. I like that you do the medal standings and the places that they come in. It shows the students that even though they may earn 1st, 2nd or 3rd they can still get a silver or bronze and that there is always

room for improvement. It also proved that getting a silver and bronze is still an accomplishment There were some fabulous groups there. Thank you again. We had a wonderful day all around!

Hello Carol,

I wanted to write you to say thank you for a great competition last weekend in Davie Florida. My students had a great time! This was their first competition of the year and for most of them their first experience competing in dance. Since we've returned home they haven't stopped talking about how much fun they had nad sharing their award news with the studio. I was extremely proud of how they did that day. I'm so glad we attended. All my students and their families now want to go to NH this summer for nationals.

Thanks,

Dear Carol,

I wanted to thank you for a wonderful time this evening; I do realize all of the effort and hard work that went into make this evening as enjoyable as it was, for both the people performing and those watching. I truly enjoyed it, and look forward to seeing you and everyone else at nationals. The cassette tape is most appreciated, and helpful in improving technique, it adds a wonderful touch.

Can't wait for nationals!

Carol,

Thanks for a great day, yesterday. All the girls really enjoyed themselves. Your competition was such a relaxing and enjoyable atmosphere. Even though we got up @ 5:00am, drove over and had multiple costume changes in short time periods; the girls did extremely well. As well, your other studios were so nice. We had many of the parents, students and even teachers come up to the girls to congratulate and compliment them on their dancing. This type of behavior is so rare.

Thank you for a wonderful 1st competition experience! My girls had the time of their life and are already asking me to do more dances in the competition next year! Everyone was very friendly there and even though we're a small group, we felt at home. Thanks again, See you next year!!!
